

ULTRA DRY

Picking out your washgear for a big trip can be tricky - is it taking up too much space? Is it too heavy? We have simplified this by providing a compact range of travel towels which offer either the lightest, softest or most absorbent towels available. As well as this, all Lifeventure towels are treated with an antibacterial formula that will prevent the build up of bacteria and help reduce bad odours. Quite simply the best travel towels on Earth!

The lightest, softest, most absorbent
